

FACULTY POSITION IN OLFACTION, NUTRITION OR METABOLISM RESEARCH

The Monell Chemical Senses Center is the world's premier institute devoted to basic, multidisciplinary research on the mechanisms and function of olfaction, gustation and chemesthesis. We are currently inviting applications for full-time junior or senior faculty positions. We seek outstanding investigators from diverse disciplines who are interested in pursuing research either in olfaction or in nutrition, metabolism or appetite related to the chemical senses. Applicants with interest and experience in clinically relevant research programs are especially encouraged to apply. Candidates must possess a Ph.D. or M.D. and have postdoctoral experience. The successful junior candidate will be expected to develop and fund an independent research program and collaborate with colleagues at the Center. Senior level applicants should have a well-established and funded research program with a potential for growth and collaboration. Further information about the Center is available at: <http://www.monell.org>.

APPLICATION INSTRUCTIONS:

Applicants should submit the following materials to <http://apply.interfolio.com/46452> by December 8, 2017:

- A curriculum vitae
- Three representative publications
- A statement of research interests
- The names and addresses of three individuals willing to provide letters of reference.
