**Two one-year Term Assistant Professor positions in Neuroscience**

We seek to fill two one-year Term Assistant Professor positions to teach undergraduates. The teaching load is five courses per year, including lecture, laboratory, and/or seminar courses, with flexibility of precise areas of interest within the broad fields of Neuroscience. Teaching expectations include Neuroscience Laboratory, and also some combination of the following: introductory and/or advanced level lecture course, in an area of specialization.

Appointment will be August 2022. Ph.D. required.

Applications must be submitted online at: <https://careers.barnard.edu/postings/6163>, and should include a statement of research and teaching interests (including details of which of the above courses one is prepared to teach), CV, and 3 letters of reference. Review of applications will begin on March 1, 2022. Barnard College is an Equal Opportunity Employer and is actively committed to creating a diverse and inclusive community. We especially encourage applications from women, people of color, persons with disabilities, LGBT people, people from diverse economic backgrounds, and individuals from other underrepresented groups.
